(40DaysforLife.com) - Yes, that's right. As of this writing, there have been ... 317 babies — that we know of, that God has saved from abortion in answer to your prayers during this 40 Days for Life campaign!

There's a story behind each of those lives ... so here are just a few.

DOWNEY, CALIFORNIA

40 Days for Life volunteers were encouraged to see a large group gathered on a Saturday for a Walk for Life from Calvary Chapel School. "But after they left," said Patti in Downey, "the steady stream of cars poured in as usual and our hearts were heavy the rest of the day with no apparent saves."

Prayers did not go unanswered, however. On Monday, when women come in for pregnancy tests and make appointments for abortions, there were three abortion-minded women who changed their minds for sure — and possibly two others who left the facility after talking to prayer volunteers and receiving literature.

"Our hearts were encouraged again, for we now know of ten mothers in Downey who have chosen life since the campaign began," Patti said.

"People all over the city are beginning to pray and churches are slowly but surely getting involved in this our first campaign," she added. "We are so thankful for everyone's prayers and to our faithful Savior who's in charge of this whole movement of His prayer warriors!"

"40DaysforLife" is an awesome organization that conducts their 40 days two times a year, one in the fall and one during the spring time. Patti Sharpe of Living Help organized Downey's first year of participation. This is "40DaysforLife's" fourth year.

Pastor Tim and I would like to keep this going for Downey and do it in the spring time, with Patti. If you feel upon your heart that you would like to be a part of preventing murder in Downey, then please feel free to contact one of us.

Crossroads meets the 2nd Friday of each month @ 7PM in the Bible College Conference Room.

Any questions about the Crossroads Ministry or the newsletter please

contact Pastor Tim at

thearon@calvarydowney.org or Kevin at john8seven@aol.com.
