Crossroads Pro-Life  
Ministry

February 2007

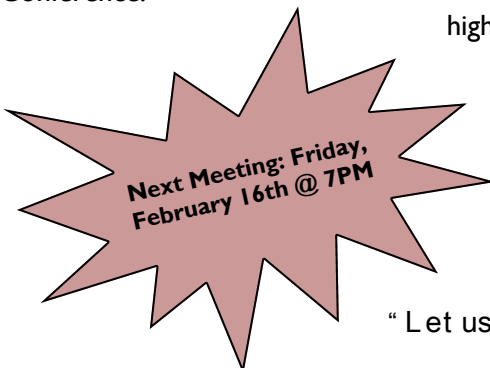

## “Sanctity of Life” Tapes, CDs available

The message from Sanctity of Life Sunday is available in many forms. You may purchase a DVD, CD, tape or download it via the church website. Downloads are available via podcast for your IPOD as well.

If you weren't there, Pastor Charlie Marquez shared a very heartfelt message from the Lord about every Christian being called to pro-life ministry in some way, shape or form.

## Meeting Date Change

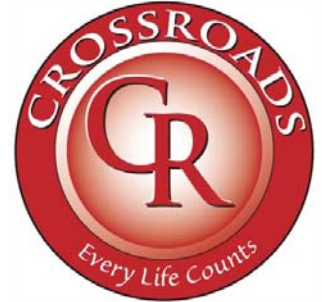

Due to the Leadership/Servant Conference, our normally scheduled meeting date has changed. We will be meeting instead on February the 16th @ 7 PM in the Bible College Conference Room. All in ministry or interested in serving in ministry are encouraged to attend the Conference.

## Did you know?

*Seven out of ten women seeking abortions identify themselves as either Protestant or Catholic...*

...this means on Sunday at church, the person sitting in front of you, behind you, or two pews away, has likely lived through the upheaval of abortion and its aftermath.

## Abstinence Week at the School

Every year, Calvary Chapel Christian Schools of Downey (Junior High and High School) set aside a week to focus on God's calling to a sexually pure life, also known as "Purity Week". As we know, God's commands are meant to protect us until marriage. He desires the best for us both physically and emotionally.

This year, the name "Purity Week" is being changed to "Abstinence Week." The focus is being placed on abstaining from any and all sexual activity before marriage. Parents, talk to your kids about this crucial subject. The church as a whole is experiencing too many casualties as the result of sexual sin. Many of these "casualties" are in our junior high and high schools.

## How to Get a Hold of Crossroads for More Information

Many have been calling the church recently to find out more about Crossroads Pro-Life Ministry. We wanted to let you know all the ways you can get a hold of us or the information you need.
