Walk 4 Life participants line Firestone Blvd. Outside our local abortion clinic (8635 Firestone Blvd.).

Eric energized us with his motivation for the unborn, their mothers and most importantly, Jesus Christ.

Our faithful little buddy inspires us year after year at the Walk 4 Life..

Walk 4 Life

We wanted to thank Mrs. Cross, Mrs. Gomez and the awesome junior highers for their participation in this year's Walk 4 Life. You guys were a great witness as you stood for the truth in love. Remember to visit our website and give us your feedback.

New Website/Domain

Calvary Downey now has a full time "web guy" on staff. With more and more people accessing our website, it was necessary to keep up. God is tremendously blessing our efforts on the web. Visit www.ccdowney.com to watch live and archived services and much more. Check out all the resources available to you.

Crossroads Pro-Life Ministry has purchased a domain name for our portion of the website. Visit www.crossroadministry.net. There is no "s" after crossroad because that domain was already taken. Please let us know what you think.

You'll see when you visit the site that it's meant to not only provide valuable resources, but to reach out to those in a crisis pregnancy or post abortive time.
